Re: Frog Ferry Portland metro water ferry service

Dear Susan,

I am writing to express our enthusiastic support, we share at Walter E Nelson Company, for your relentless drive to bring a passenger ferry service to the Portland Metro area.

The Frog Ferry will generate not only a much needed positive attribute to our wonderful city, but give an alternate transportation option for the Portland Metro area providing a sustainable waterway commute on the Willamette and Columbia rivers.

Walter E Nelson Company has maintained our headquarters in Portland for the past 76 years. Our founder, Walter, was a visionary who believed in the positive growth and innovative thinking for the future our city. We believe the same of you and your team.

We encourage the city bureaus, along with your many partners, to continue moving forward with this innovative and forward thinking plan, bringing new vitality to the City of Roses!

Best Regards

Mike Nelson
