Dear Civic Leaders,

As a Vancouver resident who lives near to the Columbia River, and who is consistently battling traffic congestion commuting over the I-5 bridge, I ask you to support Frog Ferry's effort to operate a public passenger ferry operation.

In addition to congestion, Frog Ferry will help address our needs in the event of a major earthquake. I serve as an emergency preparedness leader for my neighborhood association and am a volunteer with the American Red Cross. Having multiple tools in our toolbox, such as ferries on the river, is a must for river cities such as Vancouver and Portland.

Please be bold and support the outstanding leadership already behind Frog Ferry to build a safer and more resilient Portland/Vancouver metropolitan area.

Kind Regards,
